Spices

Kerala's Malabar coast has traded spices with the world for centuries. We source cardamom, black pepper, cinnamon, clove and turmeric directly from growers in the region, clean and grade them, and pack them to your specification - whole, crushed or ground. Every lot is selected for aroma, colour and freshness, so the flavour your customers expect arrives intact.

Request a quotation

Send us your products, quantities and destination port - we reply to every enquiry within 24 hours with a tailored FOB or CIF quotation.

Trade terms

FOB — We deliver the goods, export-cleared, on board the vessel at the Indian port. You arrange the main freight and insurance.

CIF — We arrange and pay sea freight and insurance to your destination port. Ideal if you prefer a single landed-at-port price.

CFR — As CIF, but you arrange cargo insurance yourself.

Services

Production & Sourcing

We work directly with growers across Kerala and South India, so we know where every lot comes from. Produce is cleaned, sorted and graded to your specification before it is packed.

Packaging & Private Label

From 25-50 kg export sacks to retail-ready pouches carrying your brand, we pack to protect aroma and freshness and to meet the labelling rules of your destination market.

Logistics & Delivery

We coordinate inland transport, export documentation and booking with freight partners, and keep you updated from packing to departure - by sea or air.
